

Transactional Liability

At Optio, we continue to specialise in the provision of W&I for transactions in the SME space and have a proven track record for both innovation and first-class service levels. With a wealth of experience across a number of jurisdictions and sectors our transaction liability offering has become an essential tool for those deal professionals operating in the small to mid-cap space.

Optio will always work closely with brokers to ensure best-in-class service, developing insurance solutions that are relevant, comprehensive, and affordable to meet the client's needs.

650+

deals in the SME space alone

30+

years combined M&A experience

SME

Single core product with sole focus on the SME market

Key Features

Limit of Liability: up to GBP/EUR 27.5m (or currency equivalent)

Jurisdictions: European focus, including UK (particular interest in UK Regional M&A) Nordics, DACH (limited appetite in Germany at present), Benelux and Iberia.

Transaction Values: our primary focus remains on transactions with an EV of GBP/EUR 120m (or currency equivalent) and we will also consider transactions with an EV of up to GBP/EUR 150m on a case-by-case basis. We do not write XS.

No mandated underwriting calls: we do not require an underwriting call as part of our processes.

Retention: nil excess for operational transactions (i.e. Real Estate, Renewables etc.)

Insureds: both sell-side and buy-side policies available. Traditional sell-side with no VDD is available.

Security: 100% Lloyds of London A rated capacity

Sectors: broad sectoral appetite, including financial services

Fundamental Warranties: nil excess for title and capacity warranties on all transactions.

Synthetic Coverage: available on a case-by-case basis for an additional premium.

Policy Period: maximum of 7 years
